“ Alice was my mother-in-law for 22 years, and I loved her dearly. She and I would take road trips together (for my work), and we had a ball! I've missed you, Mom. With prayers and sympathy to the family, Claire Rowan

“ I first met sweet Alice several years ago at the nursing home where I went to visit a dear woman that I call Mom Barb. The very first time I saw Alice I went to her and told her how much she reminded me of my Grandmother. I told her my Grandmother had passed on years ago. She gently reached her hands and took mine. Smiled up at me and said Oh honey , I can be your Grandma too ! Then kissed my hands. Every time i went to visit she would see me and smile her beautiful smile and reach up to hug me tight and we always said I love you. I've been so sad not being able to go out to see Mom Barb and dear Alice with all this Covid stuff. I love you Grandma Alice !! Rest easy now. I'll see you again someday and run to give you a big hug !! My love, hugs and prayers go out to her family!!
