“ I am so Sorry to learn of Anakin passing. He was a wonderful young man who stole my heart. Aniken rode my bus while living in lola. And he was such a joy to get to know. This picture shows me he had really grown this last year. May he rest in peace in God's care. My heart goes out to the family. Please know my thoughts and prayers are with you.

“ I am so sorry for your loss . I remember how happy he was at our July 4th BBQ. I was so happy I was able to spend some time with him. Anakin always had a smile on his face, you could look at his pictures & see the smile he had and it would take away any problems you think you may have. Brooke & TJ may God give you peace & comfort.

RIP ANAKIN
