“ I was so filled with sorrow when I learned of Bonnie's injuries in the accident. When I heard she had passed away I was devastated. She was such a beautiful person with a heart of gold. She always had time to talk with you. I will miss her most of all at the "Men's" Breakfast held the last Monday of the month at Charlie's Restaurant in Escondido. Bonnie would always be sitting there with a big smile & waving to come on to the table. She reminded me so much of my Mother and my Aunt Marjorie, both from Indiana. Bonnie would always fill me in on all of the happenings at EFCC and most of all encourage me to attend the functions of the BYKOTA class.

God Bless you Harvey and Cathy and the rest of the family! You have lost a very precious gift that God sent to you and you were generous enough to share her with us.

Love,

Linda, Tom, and Shelly Knoebel

“ Cathy, Karen, Mark and all of Bonnie's Family,
In such times as this it is so difficult to think about what we have all lost. But how wonderful it is to think of what we have all gained from being part of Bonnie's life. How fortunate you all were to have her as your Mother and Bob as your father as they nurtured you and uplifted you throughout your whole life. We will miss her so much at Hale Homecoming and hope you all might be able to attend in her honor.

Unfortunately, we will be unable to attend the funeral. Diana's father passed away in January and we will be leaving Friday to be with her family and attend his memorial service in Tulsa on Saturday. Prayers for you all.

“ I became Bonnie's neighbor 10 years ago and have been grateful ever since. Bob and Bonnie were the greatest neighbors anyone could want. Always pleasant and gracious and her smile was heartwarming. I will miss her greatly.

“ When we first went to Emmanuel Faith Community Church Bonnie was the first person to greet us. We asked her if we were sitting in anyone's seat she told us no but someone was sitting in hers. She then invited us to her Sunday School Class, BYKOTA. We went and she and BYKOTA became our family. We love her and will miss her!

“ Bonnie was a most joyful person. I will always remember her when she and Cathy were on the same highway on their way to Topeka. We were shocked to learn that you, Cathy, and I were to be roommates. You are still a dear friend and Jim and I are trying to get to the funeral. Looking forward to seeing you. God bless you!
