“ My sweet sister, we loved your strengths, laughter, and compassion for others. You would give your last time away if it would help others. We loved the times you and John came to visit, and when you both said you had to get back home, and we ask if you were ready you both said NO ! we are having a good time I wish we could have done it more. Thank you did for your phone calls of love and prayers for our Michael before and after his death, you were a wonderful big sister and you and John raised children to be proud of. We will miss you and love you always. Heaven has another beautiful angel. And HE said "Welcome HOME Darlene." Love you So Much. Susie and Gary

“ My Sweet Aunt Darlene. She was always a funny and fun babysitter. We would watch scary movies and make pizza. She stayed with me everyday when I was 5 and fixed me lunch before I went to kindergarten. I will miss her beautiful smile and her feisty personality. Niece Lana Riker Worley.
