“ Ruth was such a fighter with an enduring spirit. So thankful that my mother and family were able to visit with her on several occasions over the past few years in spite of the distance that separated us. During my last visit in October Ruth was so loving and affectionate and joy filled at seeing old family pictures and hearing stories. We have wonderful childhood memories of visits to Colony and the farm, fishing there, visiting and seeing her and Bert in Emporia at family gatherings in the 50's-70's. Such a sweet and thoughtful human. May you rest in peace, without pain and enjoy the reunion with those who preceded you. Love you Ruth, David Knoeppel

“ Ruth was my Dad's cousin (James Livingston). She kept in touch with Dad and our family through out the years. Would come by and want to know how everyone was doing. Even remembering my older siblings from Mom's previous marriage. She loved the Lord and loved life. She will be missed by those closest to her, remembered by those whose lives she touched. Welcomed home by the Lord saying, " Well done my good and faithful servant". She sent Christmas card every year she was able every since I can remember. And sent Dad boxes with cheese and sausage during the holidays. She came to our house in Humbolt and when were young we visited her in Chanute with Dad. She really loved people, and truly that is what life is all about. She was love. Eternity is well forever, our life here is so short in the big scope of things. Ruth made her life count. Now she is with our savior experiencing all the love she ever poured out: Love You In Christ Ruthie, Cheryl Lynn Livingston
