“ Three memories popped up for me right away. The first is when I got stuck sitting next to Uncle Ike while a group of us played Crap on Your Neighbor. He kept showing me every joker and draw-two cards he drew, eager to play them on me. Needless to say, I didn't win that game. The second memory is of Ike convincing Robin's son, Joey, who was quite young at the time, that the deer - whose head was mounted on the wall - actually got his head stuck in the side of the house and the rest of his body was outside. Ike worked really hard to convince Joey about that silly deer - ha! And lastly, this is more of a collection of memories, but remembering the many Thanksgiving celebrations Ike & Letty hosted over the years for the family. I loved each and every one of them. I'm sorry I didn't get to see him once more. He was loved, and he will be missed. Thoughts and prayers for you all.

“ Terry - your Mom and Dad (outside of my family) were one of the first people I met in Buffalo. Of course, I knew them before we moved here and I considered them to be our friend. Your Dad even made a clock for me. He always had a smile even after his stroke. He was such a special person to me and many others. I will miss him and your Mom.
