“ *My mother Lucille webb and Alice were very close. I remember Alice is very well respected and loved and very well known for her excellent cooking and even at my brothers funeral three years ago she was behind the scenes in the kitchen and was very much appreciated. What a legacy that she left to friends and family. I know you will all miss her but carry-on the love she shared for her wonderful family! Condolences to you all. Our families go back many years together.*
