“ *Amy had many talents and displayed them fearlessly. I leaned so much from her as a new department manager for home health & Hospice. Her life shined bright and her love for family glowed. I saw Amy less than a month ago and caught up. She was already searching for her next adventure. Dennis, Autumn and family, our prayers are with you during this season. Rest assure as she is missed on Earth, her reward in glory awaits.*

“ *I was so saddened to learn of the lose of your wife, mother, grandmother and sister. She will be missed by many in this community also. I enjoyed seeing her at the grand children's sporting events, whether we were cheering for or against each other. We both dearly love our children, grand children and our community.*
