“ I love you so much mama. I wish I could talk to you just one more time, you always know what to say to make me feel better. You were always on my side. You were the best mother anyone could ask for and an amazing nana to my children. They miss you and love you too. It breaks my heart to know that you won't be able to watch them grow up. I'm lost without you and I feel so alone knowing that I can't just call you up when I need you anymore. I hope you are at peace mama. I love you.
