“ May I offer a special greeting and my condolences to the many friends and family members of the Weilert family.

My sisters and I became such good friends with so many of this woman's children while growing up in the small town of Humboldt. They were always so nice, so smart, and so much fun to be around. I am sure this was a direct reflection of their darling mother and the wonderful home life that she was instrumental in providing for them.

I would also like to thank Anna Mae and her family for the contribution to the music ministry at our church, St. Joseph's parish in Humboldt. She was so depended upon for many years of her beautiful organ music.

*Please accept my sympathy for the loss of your mother,
Sincerely, Mike Dillon*
