“ I remember & cherish the special handmade gifts Toni would give at Christmas time; the times I would go with Helene to visit & spend time together. I have a very special memory of my Mom & I going to the nursing home to visit Dad; Toni was also a resident there for a short time. The four of us so enjoyed sharing stories, laughing together, such fun & a wonderful memory. I am so sorry, God bless. You are all in my thoughts & prayers.
