“ I thought of her as Aunt Barbra and she was a great lady, i only met her a few times, But was glad that my friend had such a person who she could confide in, and who was understanding and helped her to see how special a person she was. I wish i had taken the oppurtunity to know her better. I remember at Rebecca's bridal shower that Aunt Barbra was so kind and genuine. We are all a bit richer for knowing her.
