“ One of my favorite memories of my sister Belinda is that she did not like to sit still. My Mom Marjorie was wanting to take her picture so she asked me to keep Belinda's attention so she would sit still. My sister like to copy me so I had put on my coat to go outside to play and Mom wanted to take a picture so my sister was sticking her pointer finger at me and I pointed right back and started bumping her finger with mine. Mom got her picture and that is one of my favorite pictures of us together.

“ So sorry for the loss of Belinda! She was the first person I ever babysat for (If you can call swinging her to sleep in the porch swing as a baby, babysitting.) I have fond memories of the family as neighbors and growing up in Fredonia. She will be missed!
