“ Your mom was such a beautiful woman!

These times in our life are so stressful, but there is light at the end of the tunnel. Soon you will be remembering the good times - casting the harder times into the past.

Hang in there!

“ I’m so incredibly sorry for your loss. To lose someone so integral to your world is never easy at best, and unthinkable painful most of the time.

I have many fond memories of talks with Beth on the phone. She was a real firecracker, and I find it incredible that she no longer graces the world with her presence.

I grieve with you,

Dan Whitehorn

“ Beth was quite a thick-headed, independent sort with a story to tell. She will be missed.

She loved animals and reading everything, and even voted for the first time in her life.

A new angel. What a gal.

Prayers for Julie & all her families.

RIP, Beth!

“ I am so very sorry to hear of this loss. Only one mom, that's for sure, and moms are so special.

You will be remembered in my prayers for peace and relief.

Just live on the memories you now have, and remember where she is today - a place we cannot even imagine it's so special.

I am sure sorry,

Jackie Sauder

“ *Beth was my Mother's cousin and got to know her focusing around Aunt Doris and Uncle Eb Moreland and Wesley. She was a very special Lady who cared more about others than herself. She and I became good friends thru our Love of family and my Mom Opal James Peterson. She enriched my Knowledge of our family tree and it is a blessing that she had joined those of the family that have gone before. Pleasure to have gotten to know her. ❤️*
