

Betty Sue Adsmond

July 22, 1949 - October 14, 2022

Betty Sue Adsmond, age 73 of Leon, KS, passed away October 14, 2022 at Susan B Allen Hospital in El Dorado, KS.

Betty was born July 22, 1949 in Wichita, KS to Joe and Mary (Masters) Murphy. She grew up alongside 8 siblings and attended West High School.

On December 10, 1966, Betty married Thomas Adsmond, Sr. in Howard, KS. Together, they raised 2 sons, and would have celebrated 56 wonderful years together this December. During their marriage, they lived in Howard, Park City, Andover, and ended up in Leon, where they have lived for the last several years. Betty worked as an Operator at the El Dorado Refinery for several years until she retired.

Betty enjoyed cooking, baking, and quilting. She was an animal lover, and loved to take care of her parrot, dogs and a few stray cats. She watched Animal Planet almost continuously. She was a life member of Amazon Prime, and they were delivering something she had bought almost every day to the house. She enjoyed the convenience of technology allowing her to shop for everything online, including groceries. Her biggest joy though, was her family. She loved spending time with her children and grandchildren, and taught them all the core values of life.

Betty is survived by her husband, Thomas Adsmond, Sr.

“ Betty was my coworker and such a good Friend when we worked together for many years at the Phenol unit at the refinery in El Dorado. She was always willing to do whatever it took to do our jobs in the best manner possible. I take pride in saying she was my Good Friend and I shall miss her very much. Rest In Peace My Dear Friend. “ Betty was My mother-in-law at one time. But I have always kept in touch with her since my daughter is her granddaughter. She was a good woman who believed in god and had a very close relationship to my daughter. She was very down to earth and easy to talk to. Needless to say, between the 3 sets of in-laws I've had. She was my favorite. She left the world a little too soon. Love you betty!
