“ I miss you so much Mama !!! Sometimes I still can't believe your actually gone. I wish this was just a bad dream and that I'll wake up and you'd be here. It's been rough and very hard without you around these past few years. I don't think my heart will ever heal from this horrible tragedy that took you away from us way to soon. You were my best friend and was always there for me whenever I needed you the most. It didn't matter if I was sick, in pain or just overall upset you always made everything instantly better. I'm so lost without you. You were my favorite hello and my hardest goodbye. I love you Mommy I miss you so much every single day .
