“ *Beulah was a great grandma and I appreciate the people at Brookside who invested time with her the last few years. I remember going fishing with grandma on their pontoon boat near Branson MO when I was around 10. The background picture on this website sure reminded me of how beautiful it was but the water was a little cold... Beulah passed down a recipe for homemade noodles which my mom also perfected. I'm 100% sure of that being my favorite food on the planet.*

*I'm happy that Beulah lived to be 98 and was sharp and pretty health until the last few weeks of her life. Such a blessing to be sharp and healthy for so many years!*

“ *I was so blessed to spend time "bonding", as she put it, over puzzles at Brookside. We had so many conversations about life. I loved her beautiful smile. She has a special place in my heart. Rest easy beautiful lady! I will strive to be as positive as you were!*
