“ *Prayers to a wonderful family. Please know that she is now at peace and the Lord has another beautiful Angel named Bonnie by his side. Maybe they will go to garage sales together. Please know if there is ANYTHING I can do. Please call anytime.*

To Michael: I have known your mother and dad since I was first married in 1965. You probably don't remember me, but when you were a little tyke, you got your finger stuck in a pump up weed sprayer and your mother was real upset, but I got your finger unstuck! The last time I saw your mother a few years ago and we had a nice visit. Please accept our condolences!
