“ We send our deepest sympathy. I enjoyed working with Cal. He was one of the best foreman a supervisor could ask for. We visited about his family and guns. He liked eating the birthday cakes we brought to the guys in the department and he was never without a cup of coffee. Sorry we couldn't be there.

“ I want to offer my condolences. Cal was a good guy. He was very knowledgeable at work. I enjoyed talking to him about guns and ammo. I've worked with him for the past 8 years. One thing I'll always remember about him is that Cal always had a story! And a laugh that made you want to laugh with him. With deepest sympathies Craig Jaro
