“ I am very sad to hear of CC's passing. CC and I grew up together, next to his grandfather and grandmother's house. We spent many summers together in our early years, and were classmates at Alcott Elementary and beyond. We were boyhood brothers. We learned to play baseball in the grassy fields together, and spent many hours in his early summers gathering green apples in our neighbor's field. We were buddies and best friends in those early years. He was a kind and gentle soul, and he had a well-known laugh, and was always quick to smile. He is certainly in heaven now with my brother. He was a wonderful childhood friend, and I will miss him very much. CC will always be my best friend playing baseball, as he did for "Busy Bee" cafe in our little league beginning years. Play on CC.

“ I was sadden to hear CC had passed away. We were classmates from Junior High through High School. We spent a lot years riding the pine during Basketball Season. He was good guy and always made me laugh. I also got the pleasure of coaching his daughter in little league softball, she was a hoot.

I pray he is in heaven now, with now worries and no pain.

“ Condolences to the Harris family from the Cushman family. I was sorry to hear of C.C.'s passing. I remember playing baseball with C.C. Man the dude could throw heat. Lost track of him over the years as we all grow up. I guess the Lord needed an extra starting pitcher. R.I.P. my friend. " I will see you again. Just not yet"
