“ I have many memories of "Uncle Bud" who is actually my first cousin. As a little girl we would have many family reunions at the Howard's in Fredonia. My goal was to find Uncle Bud so he would pick me up and put me on his shoulders and carry me around for a long time. I would give him a rest and then go find him again. We laughed about it when I went to see him recently. When I left his house he gave me a tight hug and whispered " I will always be your Uncle Bud"
