“ When Jeff and I first got married we would go over to Carolyn and Gene’s and play cards and VISIT! A lot of time Tom and Melanie! Kirk and Teresa or Ralph and Linda would also join the gatherings at their home. Alicia and Justin were still very young and we would enjoy playing with them, but I thought it was really fun putting them to bed! I felt like such a grown up 😭. The conversation was always the best with or at Carolyn’s. She was just one of those people who could talk intelligently about a wide variety of subject matter, provoke your thoughts with rapid fire questions and stimulate hardy rounds of debate! It was always a delight to me! That little spot in Elk Falls, Kansas was quite the mecca of entertainment, friendship and fun. My thanks to Carolyn and Gene as well for many wonderful memories to treasure.

“ Carolyn was my classmate, a true friend. She always expressed her loving feelings toward her husband (Gene) and family. What a great laugh she had. She would compliment me on my white hair....She was our class leader, she started our Facebook page for class of 71. Will truly be missed. Rest in peace my friend....MJM
