“ So very sorry to hear of Charlie's passing! I have known Charlie since I was a young man back when we worked for the Santa Fe Railroad. We shared lots of laughs together and drank a few beers together over the years. We also shared a passion for guns. I left chanute for a few years and Charlie told me he went to KC. About 10 years ago I ran into Charlie at wal mart and we renewed our friendship. We just enjoyed shooting the bull. And Charlie let me take his harley out crusing and took me for rides in his vet! I am going to miss those times. Especially when Charley laughed!!! Rest in peace Charlie! Prayers for his Family! He was a great guy and a great friend!
