“ *Having grown up knowing Tuffy all my life there are just to many memories to mention. The only thing important is that he was my Dad's best friend and they loved each like brothers. I can only imagine the reunion going on in heaven now. Love you Tuffy and Rest in Peace.*

“ As my mom and I sat with dad we got to share some tender moments with him. Mom laying on his chest crying and praying not knowing that would be the last time. She ended with I love you as she always did. With only a whisper dad could hardly get it out but says mommy I love you. That would be his last words he would say. I will never forget that night we had. Dad was tired and ready to go be with his family in heaven. We will be together again one of thesedays. He will always be in ours hearts for now 💕 Love you dad

“ Dear Lou and family,
We are saddened to hear of Tuffy's passing, however, we are rejoicing to know he is healed now and is with his Lord. We have so many good memories of Tuffy: his humor, dogs, hunting, fishing -- the best is the wonderful fish fry each summer in your back yard. He really knew how to cook that fish!! Please know you all will be in our thoughts and prayers in the days to come. May God continue to bless all of you.
Love ya bunches,

“ Really don't where to start to say how amazing this man was..I called him Dad, he was my hero. He could do anything and everything!!

There are stories after stories we all have.. The best story of late I have is just the other day in the nursing home and he thought I was taking him down the alley. I asked him if I he trusted me and I wouldn't ever do something to harm him. He said "Yes baby, I trust you". For all of my 60 years I have trusted this man and he will continue to have my heart until we meet again!!

I love you Daddy
