“ *To Steve and Family*

So sorry about Cinda she was a wonderful and loving friend. She did my hair and my Mothers hair and nails, when Mother had Alzheimers Cinda went to the home and did Mothers hair and nails. Mother would show you her beautiful nails when you would visit and she would sit for hours looking at her beautiful nails. Cinda made Mother's final days very special. When Mother passed Cinda also did her hair and nails and everyone remarked that she looked so lovely.

She loved her family so much.

“ *To Steve and loving family, Cinda was an inspiration and such a giving person. We all will miss her. I enjoyed laughing with her. Even at the beginning of her illness she took time to make sure all of her "ladies" were taken care of. She was blessed with your loving and supportive family. Our prayers are with you .
