Later in life, Slim and Donna started two successful businesses, The Swap Shop Antique Mall in Severy, KS and Cleansed and Polished Cleaning Service in Wichita. Slim was an avid farmer and loved to share his bountiful harvests with any who would enjoy it. law Joyce (Bill) Bradshaw, sister-in-law Diane Pettyjohn and numerous loved nephews and nieces as well as many children that passed through their home during their time at Cookson Hills Children's Home Clarence knew no strangers and welcomed any and all in his home to share a meal, stories and laughter.

He lived his life on purpose for a purpose and knew that he was only on this earth until he graduated

to his eternal home to be with his life-long sweetie, Donna Beth, and his Lord and Savior. Until that time he served God to the best of his ability and worked to share the Gospel through his testimony, example and his finances.

TH

A son, brother, man of labor, husband, dad, and friend now at rest. A loss in many ways but the greatest loss is another soldier of the cross leaves a space in the line of defense against the evil of this world. We pray a prayer of comfort to all who mourn and also for a new recruit to pick up Slim's sword and take his place in the battle line.

*Luvs, hugs and prayers from
Linda and I.*
