“ So many memories but the most cherished was the first time our eyes met and that was it for life for me

We just couldn't stop though we had our tough times. My rock, my soul mate.

You aren't here physically but always by my side and in my thoughts daily. I miss you so much it is hard to put into words.

Love you forever , Leah

“ I delivered steel to alan's workplace for several years and developed a friendship with him. He was always quick with a joke and was very kind to me. My deepest condolences to his family.
