“ Connie will be missed by many. I got acquainted with her when I had my babies in neosho memorial hospital. She was a great house keeper. Then I got to see her more when I went to work there. Connie was a wonderful lady to know. A compassionate person. Sending prayers for her family in this time of need. She will always be in my heart.

“ Connie was such a great woman. Back in April of 1992 I was in the hospital when I had my first son. My mother worked with Connie in house keeping. So when Mom was not there she would stop in my room and see if I needed anything. loved her so much, she always went above and beyond to help me. In 1997 I worked for Nu-way with her son T.J. but never made the connection. Wasn't until I was working for Walmart and she came in with him. That is when I found out that he was her son. T.J. and family you had one of the best Mother's ever. She will be greatly missed...😭
