“ I am praying for peace and comfort for you all. Last time I talked to her was right before they moved back to Oklahoma. She was telling me how Jimmie was doing and how their other grandson was playing in Caney. I said I would probably see him because my husband was from Caney and his parents go to a lot of sporting events still. She talked to me just like I was still a kid from Thayer. She was always so kind and spoke with me. She is so loved and will be missed.
