“ My heart goes out to Dale's family. I had the privilege of being one of his and his wife's care takers when I worked at lakepoint in el Dorado in fact i got chose to go pick them up from the cancer center in Wichita to bring them back to lakepoint and i remember they were fussing with each other but we made it back then when they moved them to Eureka I didn't see them again until Dale got sick and came to SBA but I did enjoy taking care if him and his wife and I was here with him during one of his final days. Prayer to the family i hope u can find peace knowing he's not suffering anymore.
