“ To a very close friend to Jerry Binnion and myself (Sandra) had Ever had. I will miss him dearly. But I know that he and Jerry can now be friends together with the lord above. He was there when I placed Jerry and I wish I could be there with the family. God bless you and comfort you all at this time. 🙏 prayers that we all at one time join Dan to keep the heavens alive with laughter of old times and the music the two shared in school.
