

Danny James Thayer

December 26, 1962 - January 10, 2023

Danny James Thayer, a life-long resident of Neodesha, KS, passed away Tuesday, January 10, 2023 in Bel Aire, KS at the age of 60.

Danny was born December 26, 1962 in Pittsburg, KS to Edward “Ned” and Donna (Battitori) Thayer. He grew up alongside 5 siblings, attended Neodesha High School, and graduated in the class of 1981. After graduating high school, Danny attended Independence Community College, then Pittsburg State University before going to the Police Academy in 1986.

In his younger years, Danny married Kimberly George. Although they later divorced, they were blessed with 3 children, Nakita, James and Anthony. He then reconnected with his high school sweetheart, Laura Zabel, and they were engaged and looking forward to many more years together.

Danny was a Neodesha man, and his home town was a huge part of him. He was well known as Assistant Police Chief and then Police Chief until his retirement in 2017. He made a huge impact on many people through his career, and many of the people he met in his journey made a huge impact on him. He was a member of the HUD Housing authority, the St. Ignatius Catholic Church, and the Kansas Association of Chiefs of Police, which he served as President for one term.

He loved to hunt, fish, watch football, cook, and most of all, being a police officer. He had a huge heart and a huge family, as all of his hunting buddies and fellow law enforcement were all considered family to him. He loved Christmas, as his birthday was the day after, so he considered the 25th as Christmas only until 6 pm, because after that, it was Danny's Eve.

Danny will be missed by his family, friends, and all those that knew him.

He is survived by his mother, Donna (Brian) Taylor of Olathe, KS

His fiancé, Laura Zabel of Bel Aire, KS

“ Worked with Danny for Many years, he was a great guy and a great Friend. He will be missed by many, but he will always hold a special place in my heart. Many will not understand but we went through a lot of doors together and I could not have asked for a better back up.

I looked up to his Dad when i was in high school his was one of my teachers and he was very sick- so I would go to their house and do whatever I could to help them, (i.e.)mow the grass trim the trees etc. Thats when i got to know Danny fast forward we worked together in Law Enforcement and i helped him outfit his patrol cars .i did not know he had any issues or I would have been to visit him. Family I am sorry for your loss!

I'm truly sorry for your loss. I worked with Danny back in 1987 when Wes Sade was Chief of Police. Danny was such a great guy, for the next 25 years I would sometimes stop in and see him on my way through to the KBI lab in Pittsburg just to say Hi.
