“ *To All of Debbie's family. I have many fond memories of Debbie, especially the kindness and love she always had for my sister Barb and our mother. Debbie was a hard working and compassionate person. She raised two beautiful daughters and adored her grandchildren. I have visited with mom and she is saddened by Debbie's passing. Our thoughts and prayers are with you at this difficult and sad time. Love Jane O'Bryan and family*

“ *When we were in high school Debbie was one of my best friends. WE hung out together and did many many things we probably shouldn't have but it was fun. We would go to her house and torment her poor mom and dad. She would come to Pittsburg while I was going to school and we had great times. She watched my son when he was only two weeks old because she was one person I could trust to keep him safe and she was close by. I regret that I lost touch with her over the years but she was always in my heart. The friends that she had were important to her and I know that she will be missed by many. Love to the family and the friends she kept close to her.*
