“ *Dee was Don's aunt but was like an aunt to me. She took care of Kathy while I was teaching. Kathy loved her dearly and always talked lovingly of her, She would have attended the funeral but is vacationing in the Virgin Islands with her husband! Dee cleaned house for me while I was teaching. She was also the best cook—I still have some of her receipes. Kathy always talked about her peppermint cake that she made every Christmas . I am so glad that I went to her home after Harvey's funeral and had a nice visit! She was a wonderful lady that will truly be missed!*
