“ Diann was
Kind, her heart was always in it!
Talented she was the artist of our class.
She could hold her own, no one messed with her, starring down a
bully didn't even phase her.
She could flat out play ball!
There was a creek by their house, and she had no problem getting
dirty, wet, or messy. No sissy stuff for her.
She sent cards every year.
She loved her family and her fur babies.
She bought my art when I had not as much confidence as I should
have. So add confidence builder to her list.
She gave our class the music that huge boombox was the bomb
She had the most gorgeous hair of all times.
She was a friend, and i will miss her...
