“ One of my most constant memories is of mom's great energy and endurance! She could always be counted on to get the job done! She also always had the time and patience to listen and talk with you, day or night!
I love her and miss her a lot!

“ Our condolences to your family. My son Dale Boswell always was fascinated with W.F.s construction equipment. He and Donna always were very nice about his curiosity. You are in our prayers.

“ Donna, always will remember going to the lake and you loaded up the picnic table in the back of the truck thought that was very smart of you so we had a place to sit. All the times we gathered at your house for dinner, and you made enough food for a army. Miss you very much, love you.
