“ Dear Friends - We always enjoyed seeing and visiting with Denny since she was a little girl at church and also our neighbor on 8th Street. What fun to watch her grow. She always had a smile and a great sense of humor. I could write a book about our many visits and outings!!! Praise God -- she has graduated. Please know your family will be in our thoughts and prayers. May God's Spirit comfort you in the days to come. Luv ya'all.

“ Denny and I started our friendship back in the 70's. I will miss her so much. When we went for our rides if we found a bad road we called it "Denny's Road". I loved her a lot and enjoyed my kiss and hung I always got when I had to leave her. God Bless you.
