“ *I worked with Doris at Howard Twilight Manor. She would keep us laughing about her inability to cook. She always said she never knew how her kids survived, since she couldn't cook. She was always willing to help and a lot of fun to be around. She will be missed.*

“ Doris and I worked together at Starcraft and went many places together over the years. We dug up hundreds of wildflowers and relocated them to our gardens. I went with her to the oil leases and she was one of dad's favorite alfalfa mill worker. She did beautiful wood work and helped me make a cabinet for my dishwasher. She will be missed by everyone in Elk County for sure. RIP Doris.
