“ *I would like to send my condolences and love to Aggie's family. Having lost my mom a few years back, I know how hard it can be. Aggie had been my mom's friend as far back as I can remember and her children were like our cousins. When she lived in California, my parents we living there also. I saw her now and then. I loved her so much. She had a beautiful spirit.*

“ *Aggie always had a tidbit of wisdom for every situation. I always enjoyed our time visiting around the kitchen table. She always seemed to have an understanding heart and kind words to say about everyone. We have great memories of fun times with Mike and Aggie. Now She can have a great reunion with J.D. and her parents, her son Jeff as well as other friends and relatives who passed on. She will be missed by many who held her so dear. My deepest sympathy to Mike and to all the children, grandchildren and brothers and sisters. Prayers of Thanksgiving for her life and comfort for Mike and the family and repose of her soul. God bless you all! Alice Schoenhofer*
