“ *Frank was an amazing man. All his life he worked so hard. He really had a way with people and really enjoyed them. We have been so blessed having Frank and Myrna as friends for so many years. They always made a person feel so welcome. How one wishes that Frank could have been given many more years. He loved life. His family and friends always filled his heart with so much joy. We will miss being able to pick the phone and hear another new story. He truly enjoyed life each day. He couldn't wait to see the sun come up so he could start a new day and to see what the day would bring. Our thoughts and prayers are with the family. With our love, Larry and Gwen Hall*

“ Dear Myrna and family,
I knew of cousin Frank and Myrna before moving to Midland, TX in 2002 and reached out and told them how I was and had just moved into our new home. Two days later there was a knock at our door and there you two cousins stood with welcome goodies in your hands and introduced yourselves to Ralph and I. With several lunch dates and other visits we got to know each other.
The special times were when my Mom, Beulah Orrell Wray came to visit and we got together with you two and talked family history and all the memories you share! Myrna would join right in because she was a big part of the memories and or collecting the family history! At the last family reunion we went out to Frank and Myrna's new place, we had a nice visit. After a few tries Frank and Stuart got Frank's old Model A running and Frank took my two grandson Nicholas and Joshus for a ride around the front yard, WOW, what a special treat for the 14 and 9 year olds!
We were able to take Mom to a few Cox family reunions over the last few years and she enjoyed seeing cousins from her childhood and remembering!
We love you and will miss you but know we will see you again, now you are in heaven talking with all of the family and friends that have gone before you!
Myrna and family you are in our thoughts and prayers!
Love Tina Worthington, Connie Wray plus the rest of the
Worthington and Wray families ❤️❤️❤️❤️❤️❤️❤️ 🙏🙏🙏🙏🙏🙏

“ *Uncle Frank, thank you for touching my life. Your special actions have touched my soul. Your love and kindness to family and friends have left a mark that will touch others, so your spirit will always live on. I will always remember the great times hunting (throughout high school and college) with you, my Dad, and other uncles. You were always so organized and made sure we all enjoyed the hunt. This was all capped off with great honor when I had the opportunity to graduate from college right next to you. You made all the Winn family proud that day! As a straight A student, you were always dedicated to be the best, not only in college, but throughout life. UNCLE FRANK, YOU WILL REMAIN IN MY HEART AND OTHERS-----FOREVER!!!! GOD BLESS YOU AND YOUR FAMILY!!*

“ I doubt that Frank ever met a person he didn't get acquainted with! Bob and I enjoyed meeting Frank and Myrna at the Copan Cafe a lot of times. Both were so much fun and enjoyable to be with. May Frank rest in peace, and, may Myrna find comfort from God, and her family and friends. God bless you all. With my love.

“ Our friendship was too short. His visits to Dwight always brought him to Toots for coffee hour and details of the two 'crime fighters' latest happenings. Praying for the family and friends during this difficult time. Blessings

“ My mother Anita was the oldest of the Winn children. Since Frankie was the youngest, he always said she was like a 2 nd Mother to him. They were very close and I am sure my mother will welcome him with open arms into heaven. Rest in Peace dear Uncle Frank.
