

Eve L. Reynolds

November 1, 1969 - June 11, 2025

Eve Louise Reynolds, 55, of Fredonia, KS., passed away unexpectedly on Wednesday, June 11, 2025. Eve was born on November 1, 1969, in Worthington, Ohio, the daughter of Max E. and Brenda (Gehman) Dawson. Often, people assumed Max and Brenda were Eve's biological parents. Still, when asked, she would be happy to tell you that Max and Brenda had adopted her at 6 days old. She never questioned or attempted to locate her biological parents, knowing always that Max and Brenda were her God given parents.

After living in Ohio for the first 10 years of her life, Eve moved with her parents to several towns in central Missouri. Their last move was during the middle of her freshman year of high school to Fredonia, KS. Eve was a graduate of Fredonia High School, class of 1988. During high school, she worked at both nursing homes in Neodesha. After high school, Eve began working at Fredonia Regional Hospital as an ER/OR Tech and later volunteered for EMS for over 15 years. While working at FRH, she met Warren Payne Reynolds, and the two were married on October 4, 1997. From that marriage, the couple had a baby boy, Dylan Wade, on January 14, 2004. They later divorced in 2011. During her 37-year career at FRH, Eve worked in one of the most active departments at the hospital, the Specialty Outpatient Clinic. If there was a specialist in town you needed to be seen by, more than likely, Eve scheduled the appointment, checked you in, and charted your case, all done with the

biggest smile she could force while running a marathon. If not found in the ER, OR, and Specialty Clinic, one could discover Eve by waiting for the crazy lady to run past you in the halls. She enjoyed being able to scrub in and be a part of as many Surgical Operating Shenanigans as possible every week.

Eve was a woman deeply rooted in her faith, possessing quiet strength and an open, non-judgmental ear to listen. She loved planting flowers, succulents, and vines every year. Although not widely known, Eve was passionate about watching every Kansas City Chiefs game as possible, fueled by her Dad's same enjoyment of the game. She never turned away a person in need, whether it was due to care and health, financial need, or emotional support; she was always there. When talking to her, one could feel as if the world had stopped; she never once let the reality of the real world dictate the attitude she had for others. If she saw you, she was happy to see you. She is known for many of her traits as a good human being that cannot be categorized, summarized, or listed in a way that best defines her. Eve's life has been shaped by her compassion for loving every single person she met, her steady presence, and the care she extended to not only her patients, loved ones, and animals, but especially her cats. Most importantly, Eve dedicated her life to caring for and loving her one and only son, Dylan.

“ *Eve was a very dear and cherished Friend. I looked forward to seeing her and chatting with her everyday. We shared a few "inside jokes" that just made work fun. She, just being herself made work fun. Work definitely won't be the same without her there. I feel blessed to have known her and call her my Friend.*

We all have lost a dear sweet friend! She had The Biggest Heart ❤️ and shared it deeply with so many! Eve was our neighbor for many years with her son Dillon, she was known as The Cat Lady in our neighborhood! Just like she cared for people she had a huge heart for cats\kittens. She also knew how much we disliked cats hehe 😊! But we were still good neighbors. She cared so much for her parents they were her everything next to her boy Dillon. She is a true saint and reunited with her lost loved ones once again! May She Rest In Eternal Peace! 🙏💖 with love Janet & Rusty Ratzlaff
