“ My mom, showed me a cook book that she had bought from Faye that had been printed as a family cook book. I told mom I needed one also and that I wanted Faye to sign my copy, which she did. I made her pie crust recipe and haven't used any other recipe for pie crust since I got her cook book. I went from making pie crust that could literally be used for Frisbees to getting rave comment on how good my pie crust were. I have known Faye since I was a teenager in high school. She was a fabulous cook and an awesome lady. Faye saw a lot things change in the 100 years she lived. You were so blessed to have her for so long. God bless you and may your memories always keep her near. Joan Pope
