

## Floyd "Joe" Wagner II

December 2, 1946 - November 6, 2019

Floyd "Joe" Wagner II, age 72, of Howard, KS passed away November 6, 2019 at his home.

Joe was born December 2, 1946 in Omaha, NE to Floyd and Ada Wagner, growing up with 7 brothers and sisters. After high school, he joined the United States Navy, serving 4 years.

On June 16, 1976, Joe married Sharon Perkins in Las Vegas, NV, spending 43 years together. After they got married, Joe and Sharon lived in California for 5 years while Joe worked for the railroad. From there they moved to Howard, and Joe was so impressed with the way all the farmers and ranchers would wave at him in passing, they decided to stay. He ultimately fell in love with the people and the area.

Joe worked multiple jobs during his working years. They include the City of Howard Utilities department and West Elk school district, where he retired after several years. For many of those years, he worked at P&J's convenience store as a second job, but it was more than a job for him. He loved people and working there was his way of socializing.

Joe is survived by his wife Sharon.

Daughter: Celeste Babb and husband Jimmy of Augusta

Bonus daughters: Mandy Watts Lamphier of Augusta, and Kari Knox Galliard of Kansas City

Brothers: Jimmy, Willie, Pete, and Phillip

Sisters: Phyllis and Queenie

“ Thinking of Joe during our good times cleaning the school. We had a good time doing it. He always made it fun to do. My deepest sympathy go out to Sharon and his daughter that was the most important part of him. He loved Celeste to the moon and back💕💕💕

“ *Through the years he always encouraged me by his humor and little stories when I would stop by P&J One story was about his working at the “lift station” —if any local politician was missing he knew he could find their bodies there. The others was the ‘duck ponds’ north of town. Little humor of the two places but he would leave those places thanking God he didn’t have to stay in the mess long.through the difficulties he would remind me that it too would pass. Just might take a cleanup crew even though he was facing his own health issues he would inquire about other folks. We will definitely miss him praying for Sharon and Celeste God be with you*
