“ *The rest of my story here. I hit submit to soon. The biggest disappointment was for dad he decided after that we were done. He hadn't gotten ant nights me only a couple and he wanted in on those lol. Another fishing trip consisted of myself, Maggie, and Stephanie his nieces my cousins. We stopped at Johnson's General Store on our way out and dad bought us all these neon yellow, green and pink ball caps. Dad was always laughing, right up until you tell on yourself I can still here him in my head right today. He's definitely missed very very much. I love you Dad. I miss you wish I had been there for you.*

He and I went to Wilson lake to fish, we were not getting any bites had been sitting there for a good while. I got a night we jumped reeled in that fish a bass if my memory serves me correctly. We were disappointed to find it only weighing at most a couple pounds had to throw it back. That wasn't the biggest disappo
