“ Gail and her Sisters rode the bus with my Sister and I for many years growing up in the country here in lola. I met up with Gail in later years as she advocated for her grandsons education (Robert & Alex). Such sweet boys she was helping raise! We never met at the boys school once that she didn't have a smile on her face. I hope that I can be almost as good a Grandmother as she was. Hello to your Sisters and my youngest Sister Denise, Gail. Going on a bus ride together? Fly free and easy, girl. Until we meet again!
