“ *I remember all the nights we spent together when her dad was in the hospital. She would be up and down every floor of that hospital till she found a cot to sleep on. She never left him. Always brought her own brand of coffee creamer down to my mom and dad's cause she didn't like just milk in her coffee. She has had me hooked on the the same creamer ever since. I will miss the face book messages we used to do so often*
