“ Gerry was one of my mom's best friends. She dropped by to visit mom at the Morningstar less than a week before her passing. Mom said she looked really good at that time. She was really saddened when she found out. Gerry made alot of Christmas candy too. My heart goes out to the family.

“ Patty and I were the best of friends growing up and I spent a lot of sleepovers at her house. I always remember how great a cook Gerry was. She was a sweet woman! The whole family is in my thoughts and prayers and you have my deepest condolences.

“ Monte and Mahan Family....So sorry to hear this. It is so difficult to lose "mom". She has always been the center of your life and it is really hard to go on without her. Hopefully, all the good memories of her will one day bring you joy to replace the sorrow you feel now.  
Hugs and prayers for the family.
