“Gloria would try to convince me that women were smarter than men because no one could give advice like Ann Landers. Then I would spout out that all her writers were men and the fight was on. I would always point out that Eve ate the fruit first. Rest peacefully Gloria and give mom a hug for me. Prayers go out to all you girls and your families. God Bless

“ *Gloria and I were in an art class for several years that met once a week in Chanute. I saw the last day of class in May, 2015. She was a very good artist and loved giving her art to loved ones. I remember going to the Jerry Yarnell Open House with Gloria a couple years..Gloria was the driver.. We would meet up with her sister.We stopped at Hobby Lobby and eat at a cafe on the way home.. I will miss her and I am so sorry for your loss.
