“ Maudine was a special lady to me. I remember her giving me piano lessons when I was 10 years old. I also remember her playing the piano at Cove Sunday School and doing special music. I valued her friendship. May the special memories of Maudine be a comfort to all her family.

“ I worked with her for a small time compared to some. I remember she would look at me and always say something about my hair and what color it was. She liked it most whe loved her. She captured hearts of everyone she met.

“ From the very first encounter with Maudine she would leave a lasting impression and teach me something that I would never forget. Although she tried vigorously she learned that I was a lost cause when it came to English. She would get her red pen out and proof my newsletters I never seen so much red in my life. I would read & try to rewrite her poetry it had to be hand written to have the meaning she wanted to get across and she has such a grin correcting me all the way. She would take you on an adventure in History and Travel the World without ever leaving her bedside. I learned so much from her but most of the lesson that keeps me going was her telling me to keep life simple and to follow the Lord and the path would never let me down. Even in her prime of life she wanted to go to Bible College and become a female pastor although to many obstacles was in her way she was able to reach out and touch many with the word as she did me. She had her ups & downs in her life but always relied on God to get home. I will truly miss the little lady with a stubborn streak and such a sense of humor and most of all a trust & dedication to God. I am at peace knowing she finally made it home. I know she was a treasure and she will live on in your hearts & memories!  
Oh, I can see her with her red pen now! :)  
God bless..... Love Always Penny
