“ I worked at Alco and the first time Lore came in after I started working, we became fast friends. Also helped we shared the same birthday. I would get her a card and she got me one. I connected with her because of her German heritage. My grandfather was German. I loved her laugh, her attitude, her amazing potato salad and most of all, her friendship. We lost touch after I moved out of state. I will remember her forever. Love you Miss Lore Fiscus
